

## MIPIM 2018 – Stipend Information & Details

### Program details

Illinois REALTORS® offers a limited stipend program to encourage members to take advantage of this opportunity to: (1) market the state of Illinois to foreign real estate investors; and (2) build your business through exposure to the global property market; and (3) network with business, development and real estate professionals from around the world.

In the event that you are chosen to participate, you will be notified and provided with information on how to register for the exposition. You will be required to register and pay upfront for all the costs to attend and travel to the exposition (airfare, hotel, airport transfer, registration fee, etc.). Upon return, you will be expected to submit a reimbursement request and you will be eligible to receive a maximum of \$1,500 of your allowable expenses.

As part of the exhibition, Illinois REALTORS® delegation will have access to a dedicated booth within a portion of the National Association of REALTORS® (NAR) pavilion. This booth allows our association and our members to market Illinois to foreign investors and provides participants within meeting space to build your business through exposure to global property market professionals. As part of the exposition, there are also opportunities to attend forums, networking events and sessions on global business and real estate
