**Home Inspection 101 for Real Estate Professionals Course**  
Presentation Length: 1 hour followed by an exam. Credit: 1 CE

**Course Description:** Home inspections are a critical part of the home buying and selling process. This course will guide you through each area of the home inspection process, including types of inspections, report basics, and what an inspector should and should not do. Your gained knowledge will help you manage your client's expectations while increasing your client's satisfaction. Within this course, you will gain valuable insight into the home inspection process that will help you and your client move the sale forward.

**Course Objectives:**

- A solid understanding of the home inspection process
- How to manage your client's expectations of the home inspection
- How to increase your client's satisfaction and lower your liability

**RB717, #564003365, 1 Hour CE Elective Credit**
