

Statement of Policy on Committees and Other Groups

This Statement of Policy is concerned with the composition and organization of specific committees and other groups of Illinois REALTORS® (which may be referred to herein as the “Association”). This policy and any changes to it must be approved by the Board of Directors. If any committee or group desires to formulate more specific operational guidelines, it may do so, but such guidelines must be within the spirit and intent of this policy or be approved by the Board of Directors.

Upon notice of the President and President-elect of the Association, newly appointed committee members may meet at the annual meeting of the Association for the purpose of planning for the upcoming administrative year. The actions and continued service of the newly appointed committee members shall be subject to any necessary approval of their appointment as required by the bylaws or policies of the Association.

I. Standing Rules for Committee Operations

Except as otherwise provided in the Bylaws or this Statement of Policy, no committee, member involvement group, working group or task force, except the Performance and Compensation Review Committee, RPAC Trustees, Local Government Independent Expenditures Committee, State Independent Expenditures Committee, Professional Standards Committee or Grievance Committee when considering ethics or arbitration matters or an appeal thereof, shall take any final action upon any subject matter under consideration. Committee authority, except as otherwise provided in the Bylaws, shall be limited to deliberations and reports with or without recommendations to the Executive Committee and the Board of Directors.

No committee member, including the Chair, shall without express direction from the Board of Directors, or the President of the Association, represent the Association or any committee thereof on any substantive issue before any governmental, public or non-member forum either in person or by way of written or electronic communication.

No committee member, including the Chair, shall have any authority to contract for or in the name of the Association or otherwise obligate the officers, staff or members of the Association or the Association itself unless such authority is contained in an express resolution of the Board of Directors of the Association or when authorized by the Bylaws or the Statement of Policy, or by the Executive Committee.

Any committee member, including Chairs and Vice Chairs, with more than one unexcused absence from a committee meeting, per administrative year, will be automatically dismissed from that committee for the remainder of the administrative year. The committee member's unexcused absences will constitute their consent to their dismissal from the committee. Committee members, including Chairs and Vice Chairs, may be removed for cause by the Board of Directors based upon a recommendation from the Executive Committee. An opportunity shall be provided by the Board for the committee member and a representative of the Executive Committee to present their respective positions prior to voting on removal.

All committee members, including Chairs and Vice Chairs, are subject to Illinois REALTORS® Member & Volunteer Conduct Policies, as the same may be amended from time to time.

Illinois REALTORS® has established a goal that all committee and working group members be RPAC donors. Illinois

REALTORS® also encourages each committee and working group to adopt a similar goal. Illinois REALTORS® staff will include a field indicating whether a member is an RPAC donor on each roster provided to committee and working group Chairs. Making a contribution is strongly encouraged but not a condition of participation on a committee or working group.

Each Special Committee shall be assigned at least one staff liaison. Staff liaisons to Special Committees shall assist in the facilitation of meetings of the committee, the compilation and distribution of committee documentation, and with communications between the Chair/Vice Chair and the committee members. The Special Committees are intended to provide the members of those committees, along with the Chairs and Vice Chairs with leadership opportunities. Accordingly, the substantive work of the committee, including development of agendas, programming for committee meetings, and preparation of the final report to the Board of Directors should be performed by the committee Chairs, Vice Chairs and members.

Each year, the Illinois REALTORS® Executive Committee will select a current board member to serve as the Special Committee Liaison. The Liaison serves as a conduit for communication between the Leadership Team and the three special committees and will help committee chairs operate effectively and help identify future committee leaders. The three special committees include: Affordable Housing and Community Development Committee, Local Governmental Affairs Committee, and Commercial and Property Management Committee.

The Liaison's mission is to assist in the identification and development of effective special committees and committee leadership and to assist chairs and vice chairs of the special committees in the following established procedures, goals and final presentations.

The responsibilities of the Liaison shall include:

- Understand the priorities and goals of the Leadership Team and help communicate and encourage the chairs and vice chairs to stay on course with the yearlong topic or goal.
- Learn and understand any issues with the committees.
- Mentor the chairs.
- Ensure the chairs are properly briefed and prepared prior to each scheduled meeting.
- Ensure that each committee chair has clear, identifiable goals for each meeting and ultimately the end goal.
- Evaluate committees' progress against goals throughout the year and report at Illinois REALTORS® Executive Committee Meetings.
- Communicate with leadership and/or senior staff in order to update or alert them to an issue or concern.
- Ensure that committee members have a meaningful experience as committee members and as individuals.
- Identify future leadership.

Committees may not commit to the expenditure of funds and may not express opinions or represent positions in the name of the Association, unless specifically authorized by the Board of Directors.

These Standing Rules may be amended from time to time by action of the Board of Directors of the Association at a duly constituted meeting thereof upon at least ten days' prior written notice containing the proposed form and substance of the prepared amendment or amendments.
